RECYCLING TIPS

You can help ensure that more materials are recycled by following these steps:

1. Empty and rinse containers. Containers with contents remaining cannot be recycled and can harm workers or damage machinery. Rinsing also helps reduce odours and pests.
2. Add materials loose to the recycling container. Only shredded paper should be inside a paper bag or box before being added to your recycling.
3. Save space by flattening boxes and cartons. Stack containers that held the same contents, such as yogurt pots.

Sign up for reminders, import your collection schedule into your on-line calendar, or download the MMBC app on your smartphone. Search for Multi-Material BC in Google Play or the iTunes App Store, or visit recyclinginbc.ca for more information.

ABOUT MMBC

Multi-Material BC (MMBC) oversees residential packaging and printed paper recycling in Coquitlam, and throughout many communities in British Columbia. We ensure your household material is picked up, sorted and sold to end markets. In Coquitlam, we work in partnership with Smithrite Disposal Ltd. (for curbside collection services) and depots where you can drop off materials that are not collected at the curb. The MMBC program is funded by the businesses that supply packaging and paper to BC residents, shifting recycling costs away from homeowners.
