RECYCLING TIPS

You can help ensure that more materials are recycled by following these steps:

- Empty and rinse containers.
- Contain shredded paper inside a paper bag or box before adding to your recycling
- Flatten cardboard, remove plastic wrap from cardboard flats. If too large for recycling container, flatten and cut to no larger than 30" wide (78 cm) by 30" tall (78 cm). Stack neatly and securely place beside or between recycling containers.

Want to recycle something not included here?
