ENSURE MORE MATERIALS ARE RECYCLED AND KEPT OUT OF LANDFILL BY REMEMBERING THESE PRO-TIPS:

- 1 Line it up.** Put your recycling boxes beside each other. Keep 1m (3ft) to allow room for garbage/green bin collection trucks.
- 2 Keep it clean.** Empty and rinse containers to prevent contamination, ensure more material is recycled, and avoid attracting wildlife when material is set out for collection.
- 3 Flatten and cut.** If your cardboard is too large for your blue box or yellow bag, flatten and cut it down to smaller pieces. 30 inches by 30 inches (76cm x 76cm) or smaller. Loosely stack them between recycling containers. Remember to keep plastic wrap out of your recycling!
- 4 Help avoid littering the streets and alleys.** Avoid overfilling your recycling boxes to ensure they are not spilled during collection. If you are unable to comfortably fit your material into your boxes, contact Recycle BC's collection partner to order an additional box, or use a similar, open box (e.g. laundry basket, storage box) to set out correctly sorted material.
- 5 Connect with us.** Download our app, email us at [info@recyclebc.ca](mailto:info@recyclebc.ca), or connect with us on social media @RecycleBC.

ABOUT RECYCLE BC

Recycle BC is a not-for-profit organization responsible for residential packaging and paper recycling throughout BC, servicing over 1.8 million households. Recycle BC ensures your household materials are picked up, sorted, and responsibly managed and recycled. Our program is funded by over 1,200 businesses that include retailers, manufacturers and restaurants that supply packaging and paper to BC residents, shifting costs away from homeowners.
