ENSURE MORE MATERIALS ARE RECYCLED AND KEPT OUT OF LANDFILL BY REMEMBERING THESE PRO-TIPS:

- Line it up.** Put your yellow bag between your boxes, not on top. Leave about 1m (3 feet) of space between recycling boxes/bags and your garbage/organic bins.
- Keep it clean.** Empty and rinse containers to prevent contamination, recycle more materials, and avoid attracting wildlife when you put them out for collection.
- Flatten and cut.** If your cardboard is too big for the yellow bag, flatten and cut it into smaller pieces, no larger than 76 cm x 76 cm (30 in x 30 in). Stack them loosely between your boxes and yellow bag. Don't forget to keep plastic wrap out of your recycling!
- Avoid litter.** Don't overfill your recycling boxes. If you can't fit everything comfortably, contact Recycle BC's collection partner for an additional box or use a similar open box (like a laundry basket or storage box) to sort your material properly.
- We're here to help.** Download our app, email us at info@recyclebc.ca or reach out on social media @RecycleBC.
