

# A #BETTERBC STARTS WITH ALL OF US.

Team BC keeps about 200,000 tonnes of packaging and paper out of landfills and the environment every year. But it isn't time for a victory lap yet, because we still have a lot of work to do together.

To win the fight against waste, we need to make sure that we are recycling more and recycling right. Let's show em' what we can do!

You can make a difference by joining in - put hard plastic packaging in your blue box and take flexible plastics (like plastic bags, zipper-lock pouches and crinkly wrappers and bags) to a depot or London Drugs store.

More and more BC residents are taking their flexible plastics and foam packaging to depots instead of letting them end up in landfills, our

You can join in and make a difference by bringing these items to a depot or London Drugs store near you. If everyone in BC brought their flexible plastics to the depot we would collect and recycle 389 full-sized swimming pools full of flexible plastics, keeping it out of the landfill. Think of the impact

Did you know that metal and foil packaging can be recycled? Even the aluminum foil from your casserole or turkey dinner can be recycled.

Give it a rinse to get off most of the food residue and recycle it in your blue box!

Did you know that Recycle BC is recycling 94% of all materials that are received? But this only works if we set materials out for collection or return them to the depot. Think of the impact we can all have together.

Use the Recycle BC app to learn what you can recycle and where.

### **ENSURE MORE MATERIALS ARE RECYCLED AND KEPT OUT OF LANDFILL BY REMEMBERING THESE PRO-TIPS:**

- Line it up. Put your cardboard between your boxes, not on top. Leave about 1m (3 feet) of space between recycling boxes and your garbage/organics bins.
- **Seep it clean.** Empty and rinse containers to prevent tamination, recycle more materials, and avoid attracting wildlife when you put them out for collection

- 4 Avoid litter. Don't overfill your recycling boxes. If you can't fit everything comfortably, contact Recycle BC's collection partner for an additional box or use a similar open box (like a laundry basket or storage box) to sort your material properly.
- 5 We're here to help. Download our app, email us at info@recyclebc.ca or reach out on social media

# **WE CAN MAKE A DIFFERENCE** RECYCLE RIGHT

Recycle BC serves 196 communities across BC, and every single one has the power to make a difference—including yours! Because when we sort properly, rinse our containers, or head to the depot, we're making a huge play for Team BC. And that kind of effort is contagious.
